

To Music

Arranged by Betty Bertaux

To singing and to music,
To joyful friendship true;
To moments filled with happiness,
Refreshing each day anew.

Chorus 2x

From the valleys and from hilltops,
From sea to shining sea,
Let earth resound with music,
And life the richer be.

Lift every voice to music,
To love's expression sing;
Let music live in mind and heart,
Let joy and laughter ring!

Chorus 2x

For through this Gift to Humankind
We each to all belong;
It's music that has joined us
In life's sweet master song.
