

We Sing a Jubilant Song

Joseph M. Martin

We sing out a jubilant song.
Our spirits are free.
We sing out a jubilant song,
A joyful melody,
A joyful melody.

We sing out a jubilant song.
Our spirits are ***free.***
We sing out a jubilant song,
A joyful melody,
A joyful melody.

With hope in our hearts, we will reach to the sky
Glad voices that sail on the wind rushing by;
Voices that sail on the wind rushing by;
Music that fills the world with love and life.

~~Sing out a song,~~
Sing out a song,
~~Sing out a song,~~
Sing a jubilant song!

We sing out a jubilant song.
Our spirits are free.
We sing out a jubilant song,
A joyful melody,

Sing out a jubilant song,
Sing out a song,
Sing out a song,
A jubilant song!
