

We are only a few days away from our virtual event for your seniors. The Imagine America Foundation scholarship program has helped thousands of high school students interested in attending career colleges and we are hosting a webinar on **Dec. 3rd at 4pm CST**. The webinar is designed specifically for high school seniors interested in CTE after high school.

Here is the link students can use to sign up

- https://us02web.zoom.us/webinar/register/WN_RWRRrpeQS76Rca_bv4TY3g - Even if they can't make the live event, registering will ensure they receive a recording of our presentation.

Please forward this webinar invitation to any 2021 high school seniors and their parents who:

- * Are interested in career/technical education after high school**
- * Would like more information on the Imagine America scholarship program to career colleges**
- * Want more information on one of the country's leading providers of technical skills training!**

Below is a list of high schools who have already registered some of their students. If you do not see your high school listed, none of your students have signed up:
