

# **Killeen Independent School District**

## **Manor Middle School**

### **2017-2018 Goals/Performance Objectives/Strategies**

# Mission Statement

Manor Middle School will provide a quality education for all students, enabling them to achieve their maximum potential to become productive citizens in society.

# Vision

Every student, every day has the opportunity to achieve their fullest potential through a variety of well-rounded educational, social, and academic programs that provide opportunities to develop into productive members of our society.

# Value Statement

**R**igorous **A**chievement **M**easurable **S**uccess for every student that is educated at Manor Middle School in the areas of academics, athletics, community awareness, and the emotional needs of all.

# Table of Contents

Goals .....	4
Goal 1: Killeen ISD will maintain rigorous standards of achievement to prepare 21st century learners for graduation and post-secondary success. . . .	4
Goal 2: Killeen ISD will recruit, employ, develop, and retain a highly effective staff that proactively engages students for success. ....	19
Goal 3: All Killeen ISD personnel will promote effective parental and community involvement through communication, participation, and partnerships in accomplishing the district's goals. ....	31
Goal 4: Killeen ISD will provide a safe, healthy, secure, and orderly environment for students, staff, families and community. ....	37
Goal 5: Killeen ISD will maintain efficient and effective management of resources and operations to maximize learning for all students and staff. . .	41
System Safeguard Strategies .....	44

# Goals

**Goal 1: Killeen ISD will maintain rigorous standards of achievement to prepare 21st century learners for graduation and post-secondary success.**

**Performance Objective 1:** Students of all sub-group populations will be within the 5% range for accountability for Index 2.

**Evaluation Data Source(s) 1:** STAAR 2017; Increase by 10% over the Phase 2 Level 2 standard;

**Summative Evaluation 1:**

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews

			Nov	Jan	Mar	June
1) Educational Field Experiences to TBI & Temple College, TSTC, Robotics program at KHS & SHS, Social Studies field Experience to State Capitol, Fort Hood/Museum. Theatre/Art/Band/Choir: Top Band visit Baylor University Band; Journalism to visit Killeen Daily Herald & KISD Career Center Journalism/Broadcasting program; Math: Killeen Car dealerships to discuss Financial Literacy	8th grade teachers, Curriculum Specialist, Communities in Schools Liaison	Students & family members will set goals to attend post secondary education.				
Problem Statements: School Context and Organization 1						
2) College Visits: Huston-Tillotson, UT, CTC & Temple, Texas A&M Central Texas, Baylor	AVID Coordinator, Comm in Schools Liaison	AT RISK Students will be able to reflect and set goals for post secondary education.				
Problem Statements: School Context and Organization 1						
3) College Awareness to include College shirt days and College Doors	MMS Staff	Students will have more awareness of the possibilities of the future.				
Problem Statements: Demographics 1						
4) All students will learn AVID strategies to include Cornell Note Taking, AVID Tutorial Model, and Binder Organization as well as other strategies (WICOR) for academic success.	AVID Coordinator	Students will be able to use AVID strategies for success to ensure knowledge and support for post-secondary education.				
Problem Statements: Demographics 1 - Student Achievement 1						
 = Accomplished  = Continue/Modify  = Considerable  = Some Progress  = No Progress  = Discontinue						

**Performance Objective 2 Problem Statements:**

Demographics
<b>Problem Statement 1:</b> Manor's At Risk population is currently 64%, which is significantly higher than the district (54%) and state (50%) average.
Student Achievement

**Problem Statement 1:** All grade levels are performing at 65%, which is below the district average (74%) and state (75%) tested core subjects. **Root Cause 1:** Frequent common assessments are not utilized effectively by teachers in order to make data-driven decisions.

### School Context and Organization

**Problem Statement 1:** 100% of Manor students are not involved in a school sponsored activity (school connectedness). **Root Cause 1:** Students will be encouraged to join extra curricular and school sponsored extended activities.

**Goal 1:** Killeen ISD will maintain rigorous standards of achievement to prepare 21st century learners for graduation and post-secondary success.

**Performance Objective 3:** To increase ELL student comprehension and reading ability to improve scores on STAAR and MAP Scores by 10%

**Evaluation Data Source(s) 3:** ELL students will show at 10% increase in STAAR and MAP scores from previous year to end of current year.

**Summative Evaluation 3:**

<b>System Safeguard Strategy</b> 1) Create a celebration night where 8th grade students are celebrated as being eligible to be promoted to the next grade. This celebration night could include dance, game night, certificates.	8th grade teachers	Students are promoted to next grade.				
	Problem Statements: Demographics 1 - School Context and Organization 1					
2) Reward incentives will be given for attendance and Honor Roll for students (T-shirts, Certificates, etc.)	Attendance Secretary, Counselors, AVID Coordinator	Participation in Honor Roll and Attendance will increase by 5% each 9-week grading period				
	Problem Statements: Demographics 1 - Student Achievement 1 Funding Sources: 128 - High School Allotment - 700.00					
 = Accomplished  = Continue/Modify  = Considerable  = Some Progress  = No Progress  = Discontinue						

**Performance Objective 4 Problem Statements:**

<b>Demographics</b>
<b>Problem Statement 1:</b> Manor's At Risk population is currently 64%, which is significantly higher than the district (54%) and state (50%) average.
<b>Student Achievement</b>
<b>Problem Statement 1:</b> All grade levels are performing at 65%, which is below the district average (74%) and state (75%) tested core subjects. <b>Root Cause 1:</b> Frequent common assessments are not utilized effectively by teachers in order to make data-driven decisions.
<b>School Context and Organization</b>
<b>Problem Statement 1:</b> 100% of Manor students are not involved in a school sponsored activity (school connectedness). <b>Root Cause 1:</b> Students will be encouraged to join extra curricular and school sponsored extended activities.

**Goal 1:** Killeen ISD will maintain rigorous standards of achievement to prepare 21st century learners for graduation and post-secondary success.

**Performance Objective 5:** Increase the Academic Achievement of All students through academic competitions.

**Evaluation Data Source(s) 5:** Students Academic achievement will increase by 10%.

**Summative Evaluation 5:**

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Nov	Jan	Mar	June
<b>System Safeguard Strategy</b> <b>Critical Success Factors</b> CSF 1 1) Students will engage in the Battle of the Books competition in Waco.	Librarian; Book Club Sponsor	Students will perform well in Waco at the Battle of the Books competition				
Problem Statements: Demographics 1 - Curriculum, Instruction, and Assessment 1 Funding Sources: 128 - High School Allotment - 180.00						
<b>Critical Success Factors</b> CSF 1 2) GT Students will engage in Competition with TPSP and the KISD GT Expo; History Fair and Science Fair Competition	CIS, GT Coordinator, Science Department Lead, History Department Lead	GT Students will perform well at History & Science Fairs as well as the TPSP GT Expo.				
Problem Statements: Student Achievement 1 Funding Sources: 177 - Gifted/Talented - 1595.00						
3) Students will participate in the District UIL Academic Competition at Harker Heights High school on Spring 2018.	UIL Coordinator and UIL coaches	10% increase in the number of students who participate in UIL				
Problem Statements: Student Achievement 1 Funding Sources: 128 - High School Allotment - 1506.00						
						

**Performance Objective 5 Problem Statements:**

Demographics
<b>Problem Statement 1:</b> Manor's At Risk population is currently 64%, which is significantly higher than the district (54%) and state (50%) average.
Student Achievement
<b>Problem Statement 1:</b> All grade levels are performing at 65%, which is below the district average (74%) and state (75%) tested core subjects. <b>Root Cause 1:</b> Frequent common assessments are not utilized effectively by teachers in order to make data-driven decisions.
Curriculum, Instruction, and Assessment

**Problem Statement 1:** As a campus, Manor's reading scores from 2015-2016 were at 67% proficiency. This is lower than the district average (72%) and the state average (73%). **Root Cause 1:** Manor's SPED students' population (18.5%) is above the state average (8.6%). This student group has not performed satisfactory on reading assessments.

**Goal 1:** Killeen ISD will maintain rigorous standards of achievement to prepare 21st century learners for graduation and post-secondary success.

**Performance Objective 6:** 8th grade History students will increase STAAR Passing rate from 42% to 55% at the Level 2. Raise SPED STAAR passing rate from 14% to 20% and increase the passing rate by 10% in the eight SEs identified as lowest scoring: 8.4D, 8.5ER, 8.6ES, 8.10CR, 8.11 BS 8.12 D(R) 8.15B(S), 8.16 BR

**Evaluation Data Source(s) 6:** By using rigorous questioning on all benchmark assessments, students will raise scores to be at the Level 2 standard.

**Summative Evaluation 6:**

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Nov	Jan	Mar	June
<p><b>System Safeguard Strategy</b></p> <p>1) History teachers will achieve an 85% passing rate for students at the end of each 9 weeks by offering tutorials for all students to include Special Education, African American, Economically Disadvantage students. Teachers will focus on AVID &amp; Marzano strategies.</p>	History Lead Teacher, AP, CIS, and history teachers.	Student performance will improve by at least 5%, each nine weeks.				
Problem Statements: Demographics 1 - Student Achievement 1						
<p><b>System Safeguard Strategy</b></p> <p>2) Increase ALL students knowledge of geography with the use of desk maps and atlases, including Special Education, African American, Economically Disadvantage and AT RISK students.</p>	History Lead Teacher and other history teachers	Effective and improved student use of maps and atlases on classwork and state assessments				
Problem Statements: Demographics 1 - Student Achievement 1 Funding Sources: 128 - High School Allotment - 800.00						
<p><b>System Safeguard Strategy</b></p> <p><b>Critical Success Factors</b></p> <p>CSF 1</p> <p>3) Increase At Risk, African American, Sped, and Economically Disadvantage students comprehension of difficult topics using leveled reading material, graphic organizers, and diverse learning activities</p>	History Lead and History Teachers	AT RISK, African American, Sped, and Economically Disadvantage Students will create extension activities about various historical concepts.				
Problem Statements: Student Achievement 1						
<p>4) 7th Grade students will experience Texas History through real-world activities at the Bob Bullock Museum.</p>	7th Grade Lead Teacher and all other 7th grade teachers	Students will produce a reflection based on one era of Texas History and share with their class.				
Problem Statements: Student Achievement 1 Funding Sources: 128 - High School Allotment - 2550.00						

<b>System Safeguard Strategy</b> 5) History Teachers will implement small group rotations (pullouts) in 8th grade classes for STAAR review with identified AT-RISK, African American, and SPED students that have previously failed a STAAR assessment.	History Lead	Increase STAAR scores in top 8 difficult SE's.				
	Problem Statements: Student Achievement 1 Funding Sources: 166 - State Comp Ed - 400.00					
<b>System Safeguard Strategy</b> 6) Teachers will analyze Mock STAAR data and plan for acceleration/intervention for at-risk, ELL, African American and SPED students.	History/Math/Science Lead Teacher	Increase STAAR scores in top 8 low scoring SE's.				
	Problem Statements: Student Achievement 1 Funding Sources: 166 - State Comp Ed - 750.00					
 = Accomplished  = Continue/Modify  = Considerable  = Some Progress  = No Progress  = Discontinue						

**Performance Objective 6 Problem Statements:**

<b>Demographics</b>
<b>Problem Statement 1:</b> Manor's At Risk population is currently 64%, which is significantly higher than the district (54%) and state (50%) average.
<b>Student Achievement</b>
<b>Problem Statement 1:</b> All grade levels are performing at 65%, which is below the district average (74%) and state (75%) tested core subjects. <b>Root Cause 1:</b> Frequent common assessments are not utilized effectively by teachers in order to make data-driven decisions.

**Goal 1:** Killeen ISD will maintain rigorous standards of achievement to prepare 21st century learners for graduation and post-secondary success.

**Performance Objective 7:** To help at-risk and SPED students apply math and science concepts to real world situations per TEKS

**Evaluation Data Source(s) 7:** Increase of 5% for at-risk and SPED students on STAAR assessment

**Summative Evaluation 7:**

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Nov	Jan	Mar	June
<p><b>System Safeguard Strategy</b></p> <p>1) Conduct intense, small group instruction (focusing on identified areas of weaknesses) through pullouts with identified AT-RISK, African American, SPED, and ELL students.</p>	Math Department and CIS	Identified AT RISK and Special Education Students scores on STAAR will increase as well as CBA scores.				
<p>Problem Statements: Student Achievement 1 Funding Sources: 166 - State Comp Ed - 4250.00</p>						
<p><b>System Safeguard Strategy</b></p> <p>2) The science department will plan a trip to increase the awareness and application of science in real world. These COULD include: CTC Planetarium, Cameron Park Zoo, InnerSpace Caverns, Austin Zoo, Prairie Haynes Ranch, Dr. Pepper Museum, Texas Museum of Science &amp; Technology and Thinkery.</p>	Science Department	Students will be able to explain how their learning is reflected in the real world				
<p>Problem Statements: Demographics 1 - Student Achievement 1 Funding Sources: 128 - High School Allotment - 2380.00</p>						
<p><b>System Safeguard Strategy</b></p> <p>3) The SSI math teachers will review and analyze mock STAAR data for at-risk and SPED students, (specifically African American and Hispanic) in order to plan interventions and tutoring.</p>	8th Grade Math teachers	At-risk (African American and Hispanic) and SPED students showing measurable growth on STAAR Assessment				
<p>Problem Statements: Demographics 1, 2 - Student Achievement 1 Funding Sources: 166 - State Comp Ed - 300.00</p>						
<p> = Accomplished     = Continue/Modify     = Considerable     = Some Progress     = No Progress     = Discontinue</p>						

**Performance Objective 7 Problem Statements:**

Demographics
<b>Problem Statement 1:</b> Manor's At Risk population is currently 64%, which is significantly higher than the district (54%) and state (50%) average.
<b>Problem Statement 2:</b> Manor's Special Education population is currently 18%, which is significantly higher than the district (11%) and state (8.6%) average for this category. PBMAS
Student Achievement
<b>Problem Statement 1:</b> All grade levels are performing at 65%, which is below the district average (74%) and state (75%) tested core subjects. <b>Root Cause 1:</b> Frequent common assessments are not utilized effectively by teachers in order to make data-driven decisions.

**Goal 1:** Killeen ISD will maintain rigorous standards of achievement to prepare 21st century learners for graduation and post-secondary success.

**Performance Objective 8:** To help at-risk ELAR students apply comprehension, vocabulary and fluency CBA and STAAR assessments in Language Arts and Reading. To increase the critical reading abilities of ALL students across the campus. Increase 6th Grade Reading STAAR Scores from 53% to 64%, increase 7th Grade Reading STAAR scores from 62% to 68%, increase 7th Grade Writing STAAR scores from 54% to 62%, and increase 8th Grade Reading STAAR scores from 70% to 73%.

**Evaluation Data Source(s) 8:** Increased reading and writing assessment scores for AT RISK students.

**Summative Evaluation 8:**

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews			
			Formative			Summative
			Nov	Jan	Mar	June
<p><b>System Safeguard Strategy</b> <b>Critical Success Factors</b> CSF 1</p> <p>1) Teachers in 7th &amp; 8th grade Accelerated Language Arts classes will emphasis features of non-fiction text as it relates to comprehension. Students in these classess will be given multiple opportunities to apply comprehension strategies with non-fiction texts of all kinds.</p> <p>Teachers will provide small group interventions with these at-risk students prior to the first administration of STAAR Reading and Writing test.</p>	Lead ELAR Teacher and Accelerated Reading Teachers	Accelerated Reading students will perform at 50% or higher on Informational Texts on the STAAR Assessment.				
<p>Problem Statements: Demographics 1 - Student Achievement 1</p> <p>Funding Sources: 166 - State Comp Ed - 4100.00</p>						
<p><b>System Safeguard Strategy</b> <b>Critical Success Factors</b> CSF 1</p> <p>2) Writing across the Curriculum will be implemented to enhance the writing ability and scores for students to include ALL students including African American, Hispanic, White, Sped, and Economically Disadvantage. Students will use a variety of AVID writing strategies that will be introduced weekly.</p>	Principal, AVID Sponsor	Student writing scores in all sub-populations will increase by 10%.				
<p>Problem Statements: Demographics 1 - Student Achievement 1 - Curriculum, Instruction, and Assessment 1</p>						
<p><b>System Safeguard Strategy</b></p> <p>3) ELAR department teachers meet for day-of-planning to use multiple strategies and resources to design engaging lesson plans and refine department goals for at-risk students, based on MOCK STAAR data.</p>	Lead ELAR Teacher and CIS	At Risk students academic needs are identified with appropriate interventions, in preparation for state assessments.				
<p>Problem Statements: Demographics 1 - Student Achievement 1, 2</p> <p>Funding Sources: 166 - State Comp Ed - 1000.00</p>						

<b>System Safeguard Strategy</b> <b>Critical Success Factors</b> CSF 1 CSF 2  4) A reading interventions aide will assist at-risk students in the classroom to increase comprehension and fluency.	Classroom teachers	Increased reading achievement as measured by STAAR				
	administrators	Problem Statements: Demographics 1 - Student Achievement 1 Funding Sources: 166 - State Comp Ed - 20894.00				
 = Accomplished  = Continue/Modify  = Considerable  = Some Progress  = No Progress  = Discontinue

			Nov	Jan	Mar	June
1) All students in P.E. classes will be assessed for wellness under the state Fitness Gram	Principal, P.E. Teachers, and Nurse	Students will learn the importance of staying healthy and being in shape, which will affect them throughout their lives.				
Problem Statements: Demographics 1						
						

**Performance Objective 3 Problem Statements:**

Demographics
<b>Problem Statement 1:</b> Manor's At Risk population is currently 64%, which is significantly higher than the district (54%) and state (50%) average.

**Goal 4:** Killeen ISD will provide a safe, healthy, secure, and orderly environment for students, staff, families and community.

**Performance Objective 4:** To decrease the number of discipline referrals and DAEP placements

**Evaluation Data Source(s) 4:** Students will learn character traits and staff will continue to receive PD for working with AT RISK students

**Summative Evaluation 4:**

			Formative			Summative
			Nov	Jan	Mar	June
1) Student discipline referrals will be reduced by 10%, each nine weeks.	Principal and APs	Student behavior will be more conducive to learning; thus, reducing the number of DAEP referrals				
Problem Statements: School Culture and Climate 1						
= Accomplished              = Continue/Modify              = Considerable              = Some Progress              = No Progress              = Discontinue						

**Performance Objective 4 Problem Statements:**

School Culture and Climate
<b>Problem Statement 1:</b> The demographics of Manor students indicate a steadily increasing ELL (32%) and AT RISK population (80%) that have resulted in academic challenges. <b>Root Cause 1:</b> Our community demographics are rapidly changing.

**Goal 5: Killeen ISD will maintain efficient and effective management of resources and operations to maximize learning for all students and staff.**

**Performance Objective 1:** Continue technology initiatives with TINspires, Ipads and Computer Lab for all students.

**Evaluation Data Source(s) 1:** Students will increase proficiency with technology to be successful as lifelong learners in post secondary curriculum

**Summative Evaluation 1:**

Strategy Description	Monitor	Strategy's Expected Result/Impact	Reviews

<b>System Safeguard Strategy</b> 1) Continued use of TINspires for all math students, including African American, ELL, and SPED to be utilized on the STAAR assessment.  2) Technology supplies for upkeep of computers and student printers in student labs	Campus Tech, Lead Math Teacher	Students will continue to use technology and enhance their curriculum rigor.				
	Problem Statements: Student Achievement 1 Funding Sources: 128 - High School Allotment - 1050.00					
	Campus Technologist	Students will have available materials necessary.				
Problem Statements: Demographics 1, 2 - Student Achievement 1 Funding Sources: 128 - High School Allotment - 3899.00						
						

**Performance Objective 1 Problem Statements:**

Demographics
<b>Problem Statement 1:</b> Manor's At Risk population is currently 64%, which is significantly higher than the district (54%) and state (50%) average.
<b>Problem Statement 2:</b> Manor's Special Education population is currently 18%, which is significantly higher than the district (11%) and state (8.6%) average for this category. PBMAS
Student Achievement
<b>Problem Statement 1:</b> All grade levels are performing at 65%, which is below the district average (74%) and state (75%) tested core subjects. <b>Root Cause 1:</b> Frequent common assessments are not utilized effectively by teachers in order to make data-driven decisions.

**Goal 5:** Killeen ISD will maintain efficient and effective management of resources and operations to maximize learning for all students and staff.

**Performance Objective 2:** Continue online subscriptions to increase the rigor of curriculum for AT RISK students

**Evaluation Data Source(s) 2:** The sub population of AT RISK students' scores will increase by 5% on annual STAAR testing.

**Summative Evaluation 2:**

<p> = Accomplished    = Continue/Modify    = Considerable    = Some Progress    = No Progress    = Discontinue</p>						

**Performance Objective 2 Problem Statements:**

<b>Demographics</b>
---------------------

**Problem Statement 1:** Manor's At Risk population is currently 64%, which is significantly higher than the district (54%) and state (50%) average.

**Problem Statement 2:** Manor's Special Education population is currently 18%, which is significantly higher than the district (11%) and state (8.6%) average for this category. PBMAS

### **Student Achievement**

**Problem Statement 1:** All grade levels are performing at 65%, which is below the district average (74%) and state (75%) tested core subjects. **Root Cause 1:** Frequent common assessments are not utilized effectively by teachers in order to make data-driven decisions.

## System Safeguard Strategies

Goal	Objective	Strategy	Description
1	1	1	AT-RISK students, to include at-risk SPED students, will participate in conceptual math activities during Math Workshops and STAAR Academies after school and on Saturdays. AT-RISK, SPED, & ELL students will also attend for Language Arts, history and science STAAR assistance. AT-RISK students will sign in upon entry.
1	1	2	Tutoring workshops designed around Writing will be conducted by teachers after normal school hours and Saturdays to assist students that are at-risk to include at-risk SPED, ELL, at-risk economically disadvantaged, and at-risk African American demographics be more successful on the STAAR Writing Assessment.
1	3	1	ELL teachers will provide support for LEP students through small group instruction that focuses on English vocabulary acquisition. ELL teachers will teach organizational strategies to be used in all core classes and will integrate technology applications with vocabulary instruction. They will stay current in research-based, best practice strategies for teaching ELL students.
1	4	1	Create a celebration night where 8th grade students are celebrated as being eligible to be promoted to the next grade. This celebration night could include dance, game night, certificates.
1	5	1	Students will engage in the Battle of the Books competition in Waco.
1	6	1	History teachers will achieve an 85% passing rate for students at the end of each 9 weeks by offering tutorials for all students to include Special Education, African American, Economically Disadvantage students. Teachers will focus on AVID & Marzano strategies.
1	6	2	Increase ALL students knowledge of geography with the use of desk maps and atlases, including Special Education, African American, Economically Disadvantage and AT RISK students.
1	6	3	Increase At Risk, African American, Sped, and Economically Disadvantage students comprehension of difficult topics using leveled reading material, graphic organizers, and diverse learning activities
1	6	5	History Teachers will implement small group rotations (pullouts) in 8th grade classes for STAAR review with identified AT-RISK, African American, and SPED students that have previously failed a STAAR assessment.
1	6	6	Teachers will analyze Mock STAAR data and plan for acceleration/intervention for at-risk, ELL, African American and SPED students.
1	7	1	Conduct intense, small group instruction (focusing on identified areas of weaknesses) through pullouts with identified AT-RISK, African American, SPED, and ELL students.
1	7	2	The science department will plan a trip to increase the awareness and application of science in real world. These COULD include: CTC Planetarium, Cameron Park Zoo, InnerSpace Caverns, Austin Zoo, Prairie Haynes Ranch, Dr. Pepper Museum, Texas Museum of Science & Technology and Thinkery.

Goal	Objective	Strategy	Description
1	7	3	The SSI math teachers will review and analyze mock STAAR data for at-risk and SPED students, (specifically African American and Hispanic) in order to plan interventions and tutoring.
1	8	1	Teachers in 7th & 8th grade Accelerated Language Arts classes will emphasis features of non-fiction text as it relates to comprehension. Students in these classess will be given multiple opportunities to apply comprehension strategies with non-fiction texts of all kinds. Teachers will provide small group interventions with these at-risk students prior to the first administration of STAAR Reading and Writing test.
1	8	2	Writing across the Curriculum will be implemented to enhance the writing ability and scores for students to include ALL students including African American, Hispanic, White, Sped, and Economically Disadvantage. Students will use a variety of AVID writing strategies that will be introduced weekly.
1	8	3	ELAR department teachers meet for day-of-planning to use multiple strategies and resources to design engaging lesson plans and refine department goals for at-risk students, based on MOCK STAAR data.
1	8	4	A reading interventions aide will assist at-risk students in the classroom to increase comprehension and fluency.
1	9	1	To promote the real world application of science for at-risk students (to include special education at-risk students), teachers will provide hands-on lab experiences that align to the depth and complexity of science TEKS.
1	9	2	2) To meet the academic needs of our at-risk, ELL and SPED students, science teachers will review STAAR data from the Mock STAAR and create a plan to accelerate our At-risk, ELL, SPED students to a level of proficiency on their state assessment.
1	9	3	To meet the academic needs of our AT RISK, ELL and SPED students, science teachers will implement small group rotations in 8th grade classes for each identified AT RISK student for STAAR review. Teachers will work with these identified AT RISK students for three instructional days, providing intense tutoring through pullouts.
2	1	1	The Dyslexia Teacher will attend the CESD conference for Dyslexia in Austin on Oct. 16-17 to learn new strategies to meet the needs of AT RISK students. The Dyslexia teacher will also attend the Region 12 Dyslexia course free of charge, but travel will be needed.
2	1	2	RICA teacher will provide support to at-risk dyslexic students through small group instruction using the Wilson Reading Program.
2	2	1	History teachers of AT RISK students that fall under the demographics of African American, Special Education, and Economically Disadvantaged will attend professional development to improve instruction and will implement best practice teaching techniques.
2	2	2	History teachers of AT-RISK SPED, ELL, and African American students will attend KISD Differentiation Professional Development to increase student test scores and class performance. Teachers will implement strategies learned to enhance instruction.

Goal	Objective	Strategy	Description
2	3	1	Science teachers of AT RISK, Special Education, African American, and ELL students will attend STAAR training sessions at ESC 4 , 12 & 13, as well as CAST to assist at risk students understand hands on learning to impact the analysis of STAAR data
2	4	1	Teachers will learn effective strategies to assist in student retention of information and best practices when teaching AT RISK, ELL, African American and Special Education students. Teachers will attend a Kagan Cooperative Learning Training on campus.
2	5	3	The math teachers will meet with District Specialists 1/2 day for intensive instruction for at-risk students and identified at-risk Special Education students once in October and once in December. 8th grade history teachers will analyze and plan for STAAR interventions for a full day in Spring for at-risk students, at-risk African American, at-risk Special Education, and at-risk economically disadvantaged students.
2	6	1	4 teachers will attend the TCTELA Conference in Houston Texas January 26-28, 2017 to meet the needs of All students including AT RISK, at-risk African American, at-risk Hispanic, at-risk White, at-risk Special Education, and at-risk Economically Disadvantaged struggling readers and writers.
2	6	2	Teachers will attend Region 12 professional development in reading and writing to increase scores of at-risk students including at-risk African American, ELL, at-risk Hispanic, at-risk White, at-risk Special Education, & at-risk Economically Disadvantaged students.
3	3	1	Raise Cultural Awareness by participating in Freedom Walk, Black History Month, Multi-Cultural Night, Veteran's Day, Toys4Tots, and annual canned food drive for Killeen Mission.
3	3	2	Raise cultural awareness by implementing a Multi-cultural display board highlight student cultures.
3	4	1	GT Field Experience to STEAM in Waco; Students will also attend the Thinkery experience, iFly Austin in Austin Children's Museum.
3	5	2	AT RISK Parent/Student STAAR Review Night to be hosted by the ELA/History/Science departments in April. AT RISK students and their parents will be invited to attend. These AT RISK students will demonstrate and model reading strategies learned for their parents.
5	1	1	Continued use of TINspires for all math students, including African American, ELL, and SPED to be utilized on the STAAR assessment.
5	2	1	All students, to include AT RISK, African American, ELL, Hispanic, White, Economically Disadvantaged and Special Education students will have access to BrainPop in all core subject areas with mobile access with technology items previously purchased.
5	2	2	All students will have access to Explore Learning Gizmos in all core subjects to assist with real world application in science for all students, including Special Education, African American, Hispanic, Economically Disadvantaged, and White students
5	2	3	All students including, African American, ELL, Hispanic, Special Education, and Economically Disadvantaged student will have access to Flocabulary instructional software in all classes to include special education courses.
