5. They will then select the Country.

There is a distinct possibility that they will have to go through steps 4&5 again. It's a bug in the Shared iPad initial setup.

6. The iPad is now ready for student use.

## Logging Out

To log out of the device click the Power/Sleep button on the top of the iPad. The device will go to sleep. Then press the home button at the bottom of the iPad and this screen will appear. Press the Sign Out button found in the bottom right corner to log the user out of the device.
