* Includes Curriculum Director & Student Activities Coordinator at the High School Level.

The District's philosophy is to fund one National and one State organization for each principal and one State organization for each Assistant Principal. Subscriptions are not covered with memberships.

Organizations listed for positions other than Principal and Asst. Principal are those suggested for membership. Neither liability insurance nor subscriptions are included in the cost of the district-paid membership. Memberships paid using District funds to organizations not listed above are subject to the approval of District Administrators. Phi Beta Kappa, for example, is not a district-approved organization and use of District funds to pay memberships is prohibited.
