B. Confirmation of CEIS or CCEIS Requirements

1. ☐ LEAs may use up to 15 percent of their IDEA-B funds (FAR codes 224/313 and 225/314) for any fiscal year to develop and implement coordinated early intervening services (CEIS) for students in grades K-12 (with a particular emphasis on students in kindergarten through grade 3) who have not been identified as needing special education or related services but who need additional academic and/or behavioral support to succeed in a general education environment. LEAs identified with significant disproportionality based on race or ethnicity are required to use the full 15 percent of the total of their 224/313 and 225/314 funds for comprehensive coordinated early intervening services (CCEIS). LEAs accessing IDEA-B funds for CEIS are required to track, collect, maintain, and report data via the SC5100 CEIS/CCEIS Data Collection Form the number of students served with CEIS and the number of those students who subsequently received special education and/or related services during the year they were served with CEIS and the following two years after being served with CEIS. The SC5100 form must be submitted annually for three years following the use of CEIS funds. LEAs accessing IDEA-B funds for CCEIS must submit the SC5100 the following year to report numbers of students served. LEAs should use a local option code that uniquely identifies the cost objective used to account for the expenditure of CEIS or CCEIS funds. For further information, refer to the program guidelines associated with this grant application.
