Superintendent

Dear Parents and Students,

Killeen Independent School District works diligently to educate students who demonstrate good behavior, exhibit a strong work ethic, and desire to attend schools in which they can reach their maximum learning potential. Our Student Code of Conduct provides students, parents, and staff with expectations for behavior as well as consequences for Code of Conduct violations. By working hand in hand, we empower our students to become responsible, compassionate, and capable individuals who contribute positively to their communities and the world.

For the very few students who choose to disregard Code of Conduct policies, progressive disciplinary action will be administered by the district, and when appropriate by law enforcement officials.

Our mission is to Teach so that students learn to their maximum potential, and we must not be distracted from this mission. Subsequently, it is essential that parents and students review these policies and expectations for student conduct. We believe that when the Code of Conduct is followed, schools are safer, and conditions are set for student success.

To create a successful and conducive learning environment, the cooperation of parents, guardians, and the broader community is indispensable. We firmly believe that the foundation of a great educational experience is built on strong partnerships between the school and its stakeholders. By working together, we can create an environment where students can thrive academically, socially, and emotionally.

If you have any questions or concerns about the Student Code of Conduct or any other matters related to your child's education, please do not hesitate to contact the principal at your school. Open lines of communication between the school and parents are crucial for ensuring the best possible support for each student's unique needs.

As we embark on the 2024-2025 school year, we are confident that with your support, dedication, and active involvement, it will be a resounding success.

Thank you for entrusting your child's education to us.

Warm regards,

A handwritten signature in blue ink, appearing to read "Jo Ann Fey".

Purpose

The Student Code of Conduct (“Code of Conduct”), as required by Chapter 37 of the Texas Education Code, provides methods and options for managing student behavior, preventing and intervening in student discipline problems, and imposing discipline.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences, including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP), or expulsion from school.

This Code of Conduct has been adopted by the Killeen Independent School District board of trustees and developed with the advice of the district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code of Conduct remains in effect during summer school and at all school-related events and activities outside the school year until the board adopts an updated version for the next school year.

In accordance with state law, the Code of Conduct shall be posted at each school campus or shall be available for review at the campus principal’s office. Additionally, the Code of Conduct shall be available at the campus behavior coordinator’s office and posted on the district’s website, www.killeenisd.org. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

It is extremely important that parents/guardians and students sign and submit a document acknowledging notification of accessibility of the Student Code of Conduct, and an understanding that all students are held accountable for their behavior. Any questions concerning the code should be addressed to the school principal or designee. Failure by the parent or student to sign the document does not negate the authority of the Student Code of Conduct.

Because the Code of Conduct is adopted by the district’s board of trustees, it has the force of policy. In the event of a conflict between the Code of Conduct and the Student Handbook, the Code of Conduct shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

School rules and the district's authority to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities. When district staff investigates alleged misconduct students may be required to provide written statements as needed and/or may be questioned regarding the student's own conduct or the conduct of other students. Failure to cooperate in an investigation, to include refusal to provide a written statement, may be treated as insubordination. Investigatory proceedings will be conducted without delay, and there is no right to representation in such proceedings.

The district has disciplinary authority over a student:

1. During the regular school day.
2. While the student is traveling on district transportation.
3. During lunch periods in which a student is allowed to leave campus.
4. At any school-related activity, regardless of time or location.
5. For any school-related misconduct, regardless of time or location.
6. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location.
7. When a student engages in cyberbullying, as defined by Education Code 37.0832.
8. When criminal mischief is committed on or off school property or at a school-related event.
9. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line.
10. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas.
11. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
12. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator (CBC). The designated person may be the principal, or any other campus administrator selected by the principal. The CBC is primarily responsible for maintaining student discipline. The district shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as CBC. Contact information may be found at www.killeenisd.org (see specific campus websites) and at <https://www.killeenisd.org/Page/15396>.

Threat Assessment and Safe and Supportive School Team

The CBC or other appropriate administrator will work closely with the campus threat assessment and safe and supportive school team to implement the district's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

Searches

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district's policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district.

Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

Killeen ISD Guidelines for Student Searches (Administrative Procedure VII-Z)

Detection Dog Searches – The district employs a K-9 Detection dog as part of the Killeen Independent School District Police Department (KISD PD). The K-9 unit is an investigative division of the KISD PD.

The district uses dual purpose patrol/narcotic dogs to sniff and alert to the odor of illicit substances defined in Board Policy FNCF(Legal): Student Conduct – Alcohol and Drug Use. The program is implemented in response to drug and alcohol use problems in district schools and to maintain a safe school environment conducive to education.

Visits to schools shall be unannounced or coordinated with campus administrators. The dog shall be used to sniff the air in vacant classrooms, in vacant common areas, around student lockers, and around vehicles parked on school property. The dog shall not be used with students. If a dog alerts a locker, a vehicle, or an item in a classroom, it may be searched by school officials.

Searches of Vehicles – Students have full responsibility for the security of their vehicles parked on school property. Students shall not place, keep, or maintain any article or material in vehicles that is forbidden by district policy. Students shall be responsible for any prohibited items found in their vehicles while on school property. Random searches of vehicles may be conducted by detection dogs accompanied by a school administrator. If the dog alerts to a vehicle, the student shall be called out of class and told to report to the parking lot. The student shall be notified that the detection dog alerted on the vehicle and the student will be asked to unlock the vehicle and observe the search. If the student refuses, the district shall contact the student's parents/guardians. If the parents/guardians also refuse to permit the vehicle to be searched, the KISD PD may search the vehicle if probable cause has been established.

A record of all collected items shall be made. KISD Student Code of Conduct violations shall be handled by the campus administration. Criminal violations shall be turned over to Law Enforcement officials.

Searches of Lockers – Students have full responsibility for the security of their lockers. The lockers are school property. Students shall not place, keep, or maintain any article in a locker that is forbidden by district policy. Students shall be responsible for any prohibited items found in their locker while on school property. Searches of lockers may be conducted by detection dogs accompanied by a school administrator. If the dog alerts on a locker, the student shall be called out of class and told to report to their locker. The student shall be notified that the detection dog alerted on the locker and the student will be asked to unlock the locker. If the student refuses,

School District Authority and Jurisdiction

the lock shall be cut. Parents/Guardians shall be notified of the situation. The student shall be kept a reasonable distance from the locker while it is being searched.

A record of all collected items shall be made. KISD Student Code of Conduct violations shall be handled by the campus administration. Criminal violations shall be turned over to Law Enforcement officials.

Searches of Common Areas – Common areas, such as restrooms, will be conducted without students in that location. Contraband shall be collected, with KISD Student Code of Conduct violations handled by the campus staff and criminal violations referred to Law Enforcement officials.

Searches of Classrooms – A campus administrator shall enter randomly selected classrooms and instruct all students to stand and leave all personal property in the classroom. The students shall be escorted to a location where a metal detector has been set up. It is recommended at this time for a K-9 search of the empty classroom while all students proceed through the metal detector. If an alert is sounded, the students shall be instructed to empty their pockets, take off a belt, or remove any metal object, and walk through again. If the alert is again sounded, the student shall be escorted to a private location with an administrator and Law Enforcement Official. The student shall be asked if there is reason the detector alerted. If the student refuses to comply, the parents/guardians shall be notified and asked to report to the school. The student shall not be left alone, as they might possess a weapon.

Metal Detectors – Walk Thru metal detectors shall be set up and used a minimum of once per six weeks. The campus administration shall operate the metal detector. Law Enforcement Officials may observe and be prepared to react as required. A table shall be set up to be used for items removed by students.

The district has the right to limit a student’s participation in graduation activities for violating the district’s Code of Conduct. Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the district's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 calendar days, unless the complaint is resolved before a board hearing.

Discipline shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Code of Conduct. In the event of any conflict, the district shall comply with federal law. For more information regarding discipline of students with disabilities, see policy FOF(LEGAL).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see **glossary**) until an Individualized Education Program (IEP) committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

Techniques

The following discipline management techniques may be used alone, in combination, or as part of progressive interventions for behavior prohibited by the Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.

Maximum consequences will be applied to students engaging in prohibited or illegal behaviors. Those consequences include, but are not limited to:

- Suspension, on campus (ISS) and/or off campus (OSS)
- Assignment to a disciplinary alternative setting (DAEP)
- Expulsion and assignment to Juvenile Justice Alternative Education Program (JJAEP)
- Referral to an outside agency or authority

In addition to the consequences listed above, any criminal activity may also result in a citation being issued, filed, and an arrest being made, a student being taken into custody, or a referral to a Juvenile Probation. Criminal charges may be filed in addition to any administrative action taken.

Also see KISD progressive discipline matrix in **Exhibit D**.

***Note: All Pre-K thru 2nd graders, HARP Students, and/or students in the conservatorship of the Department of Family and Protective Services (CPS) may not be issued an out-of-school suspension except for violation of weapons, drugs (including alcohol), or assaults resulting in serious bodily injury.**

Prohibited Aversive Techniques

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

- Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by district policy. [See policy FO(LOCAL).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face.
- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.
- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.
- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.
- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student using physical barriers.
- Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

Notification

The CBC shall promptly notify a student's parent by phone (preferred method), in person, mailed letter, or by email of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The CBC shall also notify a student's parent if the student is taken into custody by a law enforcement officer under the disciplinary provisions of the Education Code.

A good-faith effort shall be made to provide written notice of the disciplinary action to the student, on the day the action was taken, for delivery to the student's parent. If the parent has

Discipline Management Techniques

not been reached by telephone, or in person by 5:00 p.m. of the first business day after the day the disciplinary action was taken, the CBC shall send written notification by U.S. Mail. If the CBC is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher, campus administration, or CBC, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, the CBC's office, or the central administration office or through Policy Online® at the following address:
<https://pol.tasb.org/PolicyOnline?key=166>.

The district shall not delay a disciplinary consequence while a student or parent pursues a grievance. In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and FFH(LOCAL).

Removal from the School Bus

A bus driver may refer a student to the principal's office or the CBC's office to maintain effective discipline on the bus. The principal or CBC must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

To transport students safely, the vehicle operator must focus on driving and not be distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior, or when specific misconduct warrants immediate removal, the principal or the CBC may restrict or revoke a student's transportation privileges, in accordance with law.

In Killeen ISD, riding the bus is a student privilege provided by the district, whether to and from school each day or on school-sponsored trips. The school bus is an extension of the classroom; therefore, those rules (with the exception of cell phone usage) carry over to the bus. Students must follow instructions from the drivers as they would a classroom teacher. Additional rules are also necessary for the safety and well-being of everyone on the bus. Failure to abide by these rules creates safety hazards for the student as well as all other students on the bus. Students riding district-operated buses are accountable for their behavior and are expected to conduct themselves in accordance with the rules and regulations of the KISD Student Code of Conduct, the KISD Transportation Student Rider's Safety Handbook, and those posted in the bus.

Student misconduct on the bus may result in suspension from riding the bus in addition to any other appropriate disciplinary action. Video/audio monitoring devices may be used on any bus during routes or field trips.

The KISD Transportation Department is dedicated to safely transporting students to and from school, and to and from various school-related events. To accomplish this task, the help and cooperation of students, parent/guardian, and drivers is essential. Students will actively participate in School Bus Emergency Evacuation Drills as scheduled. Students and parents/guardians should read the KISD Transportation Student Rider's Safety Handbook. Students shall follow these rules:

- Obey the bus driver and be courteous to the driver and other passengers. Harassment in any form is prohibited.
- The bus driver is required to assign seats. Students shall not refuse to sit in an assigned seat or deny another a place to sit.
- Student ID cards will be worn at all times while on the bus (grades 6-12) and students will identify themselves, presenting the ID for face/name recognition, when asked to do so by the driver or any other school official.
- Students shall remain seated while the bus is moving and until the bus door opens. Students will face forward for the duration of the trip and will keep their feet on the floor in front of them and out of the bus aisle.
- Students will not extend any part of their body or any article out the window whether the bus is in motion or not.
- Students are expected to help keep the bus clean. Students are not to spit or throw any object inside or outside of the bus.

Removal from the School Bus

- Scuffling, fighting, and the use of obscene, vulgar, or profane language and gestures are forbidden and may result in immediate bus suspension. The appropriate law enforcement agency may be called regarding any of these offenses on the bus.
- Normal conversation is permitted (no louder than classroom level); any loud noises may distract the driver and create an unsafe condition. Students will remain silent when approaching and when crossing railroad crossings.
- Live creatures (animals, insects, or other pets), or objects that could roll around (such as skateboards or balls) and large or bulky items, that interfere with the safe operation of the bus, will not be brought on board. Other prohibited items will be determined by the Director for Transportation Services and listed in the KISD Transportation Student Rider's Safety Handbook.
- Students shall not mark, cut or scratch any part of the bus. Vandalism costs will be reimbursed by the student responsible or by the student's parent/guardian.
- The emergency door and exit controls will be used by students only during supervised drills or actual emergencies. Unauthorized use of emergency equipment is prohibited.
- Students shall never attempt to operate the passenger door or other driver controls except in the case of an extreme emergency.
- All students who use district transportation shall board and depart buses only at authorized stops. In an emergency, approval for students (eligible riders only) to embark or disembark at a bus stop, other than his or her own, will be provided in writing on campus stationery, signed by the campus principal or assistant principal, and given to the bus driver when the student boards the bus. Drivers are not permitted to act on notes or letters from students or parents/guardians regarding a stop change. The same requirement applies in situations when a student must ride another bus out of necessity or due to safety concerns.
- Students shall abide by the KISD Student Code of Conduct at bus stops during normally scheduled student pick-up and drop-off times.

Consequences for Bus Rules Violations

If any of the above student behavior rules are broken, the bus driver will take appropriate action such as conferring with the student, recording the student's name and grade, assigning the student a different seat on the bus, and/or reporting the student to the appropriate school official.

After the bus driver makes a written report of the violation(s) to the campus administrator, appropriate action in accordance with the Student Code of Conduct will be taken.

Consequences for violation of bus rules will be determined by the campus administrator and may include bus probation or bus suspension for a specified period of time.

For school bus safety violations, and for serious violations, as defined in this document, that happen on the bus, the 3rd bus offense shall invoke at least a temporary removal (possibly a permanent removal), and the 4th offense will invoke a bus suspension for the rest of the school year. For students attending a DAEP, the 2nd bus offense will result in permanent bus suspension for the time the student is placed in DAEP; any flagrant bus offense prior to the 2nd violation may result in immediate bus suspension. Students who fight on the bus will be suspended for three days. If after a thorough investigation, fighting is confirmed, then the

Removal from the School Bus

students involved will be removed from the bus for 30 school days. Under severe circumstances the Director for Transportation Services reserves the right to implement temporary or permanent bus suspension at a date earlier than prescribed by this regulation.

Campus administrators may suspend bus riding privileges for students in Pre-K, Kindergarten, or Special Education when the student has been returned to the campus three times due to parental failure to be present (or have an authorized representative present) at the designated bus stop for afternoon delivery. District staff will notify Child Protective Services (CPS) in instances where bus privileges have been removed for this reason. When a student has had bus-riding privileges suspended, parent/guardian are responsible for providing transportation for the student to attend school. Bus suspension is NOT a suspension from school. If the student does not attend school during the time of the bus suspension, the absence will be considered as unexcused and appropriate disciplinary action shall be taken.

Disruption of School Bus Transportation

A person (including students and parents/guardians) commits an offense if the person intentionally disrupts, prevents, or interferes with the lawful transportation of students to or from school or an activity sponsored by a school on a vehicle owned or operated by a county or independent school district. An offense under this section is a Class C Misdemeanor, and a fine of \$500 may be levied under §37.126 of the Texas Education Code.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the CBC's office as a discipline management technique. The CBC shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for behavior that violates this Code of Conduct to maintain effective discipline in the classroom.

Formal Removal

A teacher may initiate a formal removal from class if:

1. A student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach the class or with other students' ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

Within three school days of the formal removal, the CBC or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher who removed the student from class, and any other appropriate administrator.

At the conference, the CBC or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the CBC or other administrator may place the student in:

- Another appropriate classroom
- ISS
- Out-of-school suspension
- DAEP

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning a Student to the Classroom

A student who has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, or aggravated sexual assault may not be returned to the teacher's class without the teacher's consent.

A student who has been formally removed by a teacher for any other conduct may be returned to the teacher's class without the teacher's consent if the placement review committee determines that the teacher's class is the best or only alternative available.

Out-of-School Suspension

Misconduct

Students may be suspended for behavior listed in the Code of Conduct as a general conduct violation, DAEP offense, or expellable offense.

The district shall not use out-of-school suspension for students in grade 2 or below (unless the conduct meets the requirements established in law).

A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code sections 46.02 or 46.05.
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of the law.

Process for Suspensions (OSS or ISS)

State law allows a student to be suspended (OSS or ISS) for no more than three school days **total** per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the CBC or appropriate administrator, who shall inform the student of the alleged misconduct and give the student an opportunity to respond to the allegation before the administrator makes a decision.

The CBC shall determine the number of days of a student's suspension, not to exceed three **total** school days of suspension (OSS or ISS) per incident.

In deciding whether to order out-of-school suspension, the CBC shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Coursework During Suspension

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the internet.

A student removed from the regular classroom to ISS or another setting, other than a DAEP, will have an opportunity before the beginning of the next school year to complete each course the student was enrolled in at the time of removal. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

Disciplinary Alternative Education Program (DAEP) Placement

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the district hearing officer shall take into consideration:

1. Self-defense (see **glossary**).
2. Intent or lack of intent at the time the student engaged in the conduct.
3. The student's disciplinary history.
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student may be placed in a DAEP for the following conduct violations:

Misconduct Identified in State Law

In accordance with state law, a student **may** be placed in a DAEP for any of the following offenses:

- Engaging in bullying that encourages a student to commit or attempt to commit suicide.
- Engages in the elements of cyberbullying which violates the Student Code of Conduct.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or of a student who is 18 years of age or older without the student's consent.
- Involvement in a public-school fraternity, sorority, or secret society, or gang including participating as a member or pledge, or soliciting another person to become a pledge or member of a public-school fraternity, sorority, secret society, or gang. (See **glossary**.)
- Involvement in criminal street gang activity. (See **glossary**.)
- Any criminal mischief, including a felony.
- Assault with threat of imminent bodily injury.
- Assault by offensive or provocative physical contact.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see **glossary**) that the student engaged in

Disciplinary Alternative Education Program (DAEP) Placement

conduct punishable as a felony, other than aggravated robbery or those listed as offenses in Title 5 (see **glossary**) of the Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The CBC **may** place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires DAEP Placement

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See **glossary**.)
- Commits the following offenses on school property, within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
 - Engages in conduct punishable as a felony (including, but not limited to, terroristic threat, false alarm or report, threat, serious or persistent misconduct, sexting, etc.).
 - Commits an assault (see **glossary**) under Penal Code 22.01(a)(1).
 - Sells, gives, or delivers to another person or possesses, uses, or is under the influence of a controlled substance or dangerous drug in an amount not constituting a felony offense. (School-related felony drug offenses are addressed in **Expulsion** on page 35.) (See **glossary** for "under the influence," "controlled substance," and "dangerous drug.")
 - Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana or THC. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision.
 - Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol.
 - Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
 - Sells, gives, or delivers to another person or possesses or uses a cigarette/e-cigarette (2nd offense or more).
 - Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. (See **glossary**.)
 - Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7).
- Engages in expellable conduct and is six to nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in **Expulsion** on page 35.)

Disciplinary Alternative Education Program (DAEP) Placement

- Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see **glossary**) of the Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
 1. The student receives deferred prosecution (see **glossary**),
 2. A court or jury finds that the student has engaged in delinquent conduct (see **glossary**), or
 3. The superintendent or designee has a reasonable belief (see **glossary**) that the student engaged in the conduct.

Sexual Assault and Campus Assignments

A student shall be transferred to another campus if:

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus; and
- The victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus.

If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Process

Removals to a DAEP shall be made by the district hearing officer. When a student is removed from class for a DAEP offense, the CBC or appropriate administrator shall schedule a hearing within five school days with the student's parent, the student, and the district hearing officer.

District Level Hearing

At the hearing, the district hearing officer or appropriate administrator shall provide the student:

- Information, orally or in writing, of the reasons for the removal.
- An explanation of the basis for the removal; and
- An opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold a hearing and make a placement decision regardless of whether the student or the student's parents attend the hearing.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the district hearing officer shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or

Disciplinary Alternative Education Program (DAEP) Placement

6. A student's status as homeless.

Placement Order

After the district level hearing, if the student is placed in a DAEP, the district hearing officer shall write a placement order. A copy of the DAEP placement order and information for the parent or person standing in parental relation to the student regarding the process for requesting a full individual and initial evaluation of the student for purposes of special education services shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in a DAEP, and the length of placement is inconsistent with the guidelines included in this Code of Conduct, the placement order shall give notice of the inconsistency.

DAEP at Capacity

If a DAEP is at capacity at the time the district hearing officer is deciding placement for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical, the student shall be placed in ISS then transferred to a DAEP for the remainder of the period if space becomes available before the expiration of the period of the placement.

If a DAEP is at capacity at the time the district hearing officer is deciding placement for a student who engaged in violent conduct, a student placed in a DAEP for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical may be placed in ISS to make a position in the DAEP available for the student who engaged in violent conduct. If a position becomes available in a DAEP before the expiration of the period of the placement for the student removed, the student shall be returned to a DAEP for the remainder of the period.

Coursework Notice

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete, at no cost to the student, a foundation curriculum course in which the student was enrolled at the time of removal, and which is required for graduation. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The district hearing officer shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case by case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year, except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student's DAEP placement order.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Disciplinary Alternative Education Program (DAEP) Placement

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the district determines that the student is a threat to the safety of other students or to district employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who are in a DAEP placement at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see **glossary**) that violates the district's Code of Conduct.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals, regarding a student's placement in a DAEP, should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal's office, the CBC's office, the central administration office, or through Policy Online® at the following address: <https://pol.tasb.org/PolicyOnline?key=166>.

Parents may request a procedural and due process review by the board's designee, the Coordinator for Administrative Services by submitting a written request to DAEPappeals@killeenisd.org.

The district shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board's designee.

Restrictions During Placement

State law prohibits a student placed in a DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities. While assigned to a DAEP the student is prohibited from being present on any other district campus or property, and from attending any school-related activity, during the time of the assignment. Violations of the Criminal Trespass Warning may result in a substantial fine or jail term. The Criminal Trespass Warning will be in effect whether the student actually attends the district DAEP or not.

Disciplinary Alternative Education Program (DAEP) Placement

For seniors, who are eligible to graduate, and are assigned to a DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student SHALL NOT be allowed to participate in the graduation ceremony and related graduation activities.

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP, the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the district hearing officer may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney shall notify the district if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence, and no formal proceedings, deferred adjudication (see **glossary**), or deferred prosecution will be initiated, or
2. The court or jury found a student not guilty or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Disciplinary Alternative Education Program (DAEP) Placement

Withdrawal During Process

When a student violates the district's Code of Conduct in a way that requires or permits the student to be placed in a DAEP, and the student withdraws from the district before a placement order is completed, the district hearing officer may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the district hearing officer or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The district shall decide on a case-by-case basis whether to continue the placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district including a district in another state. The district may place the student in the district's DAEP or a regular classroom setting.

When a student enrolls in the district with a DAEP placement from a district in another state, the district has the right to place the student in DAEP to the same extent as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

State law requires the district to reduce a placement imposed by a district in another state that exceeds one year so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees, or if the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary, because the student's behavior is so unruly, disruptive, or abusive, that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.

DAEP Assigned Students Seeking Admission

Students seeking admission into KISD, and who have been either expelled from school or assigned to a DAEP in another district within the past 12 months, will not be admitted into the district unless residing in the district with a biological or adoptive parent, or court-appointed guardian (does not include Power of Attorney).

Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification, in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the student shall be placed in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the student may be placed in DAEP or JJAEP for one semester or placed in a regular classroom. The student may not be placed in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting, and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability, who receives special education services, must be made by the IEP committee.

Newly Enrolled Students

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent may appeal the placement by requesting a conference between the board's designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board's designee under this section is final and may not be appealed.

Certain Felonies

Regardless of whether DAEP placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or district hearing officer makes certain findings and the following circumstances exist in relation to

Placement and/or Expulsion for Certain Offenses

aggravated robbery or a felony offense under Title 5 (see **glossary**) of the Penal Code. The student must have:

- Received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense.
- Been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense.
- Been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense.
- Been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense: or
- Received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred.
2. The location at which the conduct occurred.
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the district hearing officer, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers.
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district's students.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school.
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

Placement Review

A student placed in a DAEP or JJAEP under this section is entitled to a review of his or her status, including academic status, by the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall have the opportunity to present arguments for the student's return to the regular classroom or campus.

Placement and/or Expulsion for Certain Offenses

Newly Enrolled Students

A student who enrolls in the district, before completing a placement under this section from another school district, must complete the term of the p

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

student is attending a school-sponsored or school-related activity of a school in another district in Texas.

While in a DAEP

A student may be expelled for engaging in documented serious misbehavior that violates the district's Code of Conduct, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

A student **must** be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

Under Federal Law

- Bringing to school or possessing at school, including any setting that is under the district's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. (See **glossary**.)

Note: Mandatory expulsion under the federal Gun Free Schools Act does not apply to a firearm that is lawfully stored inside a locked vehicle or to firearms used in activities approved and authorized by the district when the district has adopted appropriate safeguards to ensure student safety.

Under the Penal Code

- Unlawfully carrying on or about the student's person the following, in the manner prohibited by Penal Code 46.02:
 - A handgun, defined by state law as any firearm designed, made, or adapted to be used with one hand. (See **glossary**.) *Note:* A student may not be expelled solely on the basis of the student's use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school campus; while participating in or preparing for a school-sponsored, shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department; or a shooting sports sanctioning organization working with the department. Under Age Ten

When a student under the age of ten engages in behavior that is an expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Process for Expulsion

If a student is believed to have committed an expellable offense, the CBC or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the CBC or other administrator may place the student in:

- Another appropriate classroom.
- ISS.
- Out-of-school suspension.
- DAEP.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,

2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the witnesses called by the district at the hearing.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the district hearing officer authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent with written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall consider and base its decision on evidence reflected in the record, and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

Before ordering the expulsion, the board or district hearing officer shall take into consideration:

1. Self-defense (see **glossary**),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

If the student is expelled, the board or its designee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the board's designee shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Code of Conduct, the expulsion order shall give notice of the inconsistency.

Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal During Process

When a student's conduct requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district, during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the district hearing officer or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted and may issue an additional disciplinary order as a result of those proceedings.

Restrictions During Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

Newly Enrolled Students

The district shall decide on a case-by-case basis the placement of a student who is subject to an expulsion order from another district or an open-enrollment charter school upon enrollment in the district.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary, to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

Transition Services

In accordance with law and district procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a DAEP or JJAEP. See policies FOCA(LEGAL) and FODA(LEGAL) for more information.

- A weekly visit from a staff member (i.e., Principal, Assistant Principal, Counselor, Mentor)
- Transition plan meetings will be documented in Student Success Plan (SSP)
- Transition Services shall be implemented immediately upon return to the regular campus.

Students returning to the regular campus from a DAEP are placed on District Probation for 45 days for Secondary Students (Middle and High School) and 30 days for Elementary students. Students who violate the student code of conduct while on district probation are subject to a recommendation to return to the DAEP.
