CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent's record and stated positions on issues.
- (2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.
- (3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.
- (4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.
- (5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.
- (6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.
- (7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

Candidacy

Briefly explain why you are seeking a position on the Killeen ISD Board of Trustees and your philosophy of service, if elected.

I AM seeking to continue to serve our community. I have had the honor of serving this community since November of 2018. I signed up for the service because of my understanding of how government / taxing entities function. This understanding comes from over 20 years of executive level experience in municipal government.

My experience in municipal government is rooted in parks & recreation / community services. My career was rooted in providing service to our community to satisfy their recreational needs. A great portion of the programming was focused on youth. This is where I developed long lasting relationships with parents and children. This career path is what has endeared me to enjoying seeing parents and youth be happy as a unit. Serving on the school board gives me the opportunity to assist in addressing the educational needs of our districts families.

My main goal is to be a representative that is open to dialogue with all members of our community to ensure their families have a voice in the education of their children.
