

Killeen Independent School District
Brookhaven Elementary School
2018-2019 Formative and Summative Reviews

Mission Statement

Brookhaven staff will work together so that each student is a confident learner
and is challenged to achieve his or her highest potential.

Vision

The faculty and staff of Brookhaven Elementary School will provide high quality instruction and engaging learning activities
in a positive school environment, so that each student develops a lifelong love of learning.

Value Statement

Each student is unique and can learn more and at higher levels.

Students will give their attention and commitment when provided engaging experiences.

Each member of the school has the responsibility to ensure quality learning experiences for students.

We can achieve more by working together.

Every teacher is a leader and every leader a teacher.

Critical Success Factors CSF 1 1) GT students will be provided small group differentiated instruction to address their unique needs as well as projected-based learning. Teachers will be provided ongoing PD on how to meet the unique needs of the G/T students in order to increase the number of students that meet the expected growth in reading and math. In addition to engaging in project based learning using technology, GT students will be provided research materials to nurture their particular interests.	Cluster teachers, CIS, Interventionist, & Admin	STAAR performance--Index 4 Increase in identified Gifted and Talented students by 10% by the end of the school year. Increase in the percentage of Gifted and Talented students that meet the expected growth and Mastery Level. Student Progress monitoring.	 65%	 76%	 100%	

Critical Success Factors CSF 1 CSF 2 CSF 7 2) A Temp employee will work with students in small groups during intervention focusing on skills that students are lacking in reading and writing to close gaps in their learning. The temp employee will work collaboratively with classroom teachers studying the IFD/standards, planning lessons, sharing teaching strategies, reviewing common formative/summative assessment data, and implementing research based strategies to meet individual student's academic needs.	Admin, CIS, Temp employee (interventionist)	Student progress on state assessments, benchmark assessments, progress reports and report card.				
Critical Success Factors CSF 1 CSF 4 3) All students will be invited to participate in an after school club. The clubs will have a hands on approach to academic goals and aligned with the TEKS. The clubs will be used to practice content already taught. For example, the Technology Club will use reading, math, and science TEKS along with technology (STEM) as a basis for the club.	All staff	Brookhaven will maintain or increase the number of campus clubs and show an increase in student enrollment in clubs based on club rosters. Student growth and progress on common assessments and benchmark assessments. A charter for all clubs will have a clear connection to grade level TEKS.				

<p>PBMAS Critical Success Factors CSF 1 CSF 3 CSF 7</p> <p>4) Teachers will be provided an opportunity to plan for a full day every nine weeks. During this planning, teachers will be involved in a deep study of the IFD, YAG, TAG and VAD to include studying the standards using the TEK Resource System, methodical review of the unit assessments, performance indicators, and development of common lessons and assessments. Teachers will plan for and provide learning experiences for students through the Gradual Release Model to include using hands-on activities and real-life objects based on review of common formative/summative assessment data.</p> <p>The planning will include collaboration with the SPED and Special Support teachers as well as the interventionist to ensure all the specific needs of the students are addressed in the lesson planning. 12000.50</p>	<p>Teachers, Admin team, CIS, Specials & Support personnel, and Interventionist.</p>	<p>Student Achievement and growth as measured by campus level common assessments, MAP, CIRCLE, and STAAR through progress monitoring.</p>				
<p>Critical Success Factors CSF 1 CSF 7</p> <p>5) Grade levels will have PLC to collaboratively share strategies for teaching upcoming units. Teachers will also engage in a deep study of Rigor and Webb's Depth of Knowledge using Hess's Cognitive Rigor Matrix and review data from formatives, summatives and universal screeners.</p> <p>In addition, the teachers will be engaged in learning new instructional strategies to implement in their classrooms based on student and campus need as well as district directives such as the Gradual Release of Responsibility.</p>	<p>All teachers CIS Interventionist Administration</p>	<p>Student Achievement and growth as measured by campus level common assessments, MAP, CIRCLE, and STAAR through progress monitoring.</p> <p>Teacher growth and development in producing more rigorous work.</p> <p>Increase in teacher efficacy.</p>				

<p>Critical Success Factors CSF 1 CSF 2</p> <p>6) An intervention time will be blocked out for each grade level called Bronco Time. Additional staff will push in to classrooms to offer assistance to struggling students in the areas of math, reading, writing, and science.</p> <p>5.5 Instructional Aides funded by State Comp Ed and Title 1 funds will also work with students in small group to help close achievement gaps.</p>	<p>Admin CIS Classroom Teacher</p>	<p>Student Achievement and growth as measured by campus level common assessments, MAP, CIRCLE, and STAAR through progress monitoring.</p>				
<p>PBMAS Critical Success Factors CSF 1 CSF 2 CSF 7</p> <p>7) Using formative assessments of learning, common unit assessments and collected intervention data, grade level team members will respond to the needs of students in a timely manner and, if needed, RtI will be implemented for students not meeting grade level expectations. An additional designated Lexmark for the purpose of scanning common assessments and reviewing the data will be purchased.</p> <p>In addition, ESL students, SPED students, and the African American sub-group will be closely monitored through RtI to develop individual plans for students struggling in any of the content areas to close achievement gaps.</p>	<p>ESL Teacher Classroom Teachers CIS Interventionist Admin</p>	<p>Student Achievement and growth as measured by campus level common assessments, MAP, CIRCLE, and STAAR through progress monitoring.</p>				

PBMAS Critical Success Factors CSF 2 CSF 3 CSF 7 8) Teachers (SPED, Regular, Dyslexic, and ESL) will collaboratively review assessment data and student achievement weekly to identify specific student needs and use/identify research-based strategies to implement in the learning process for individual students in the content areas. A monthly meeting will be held with the Administration team, SPED teachers, and the Regular Ed teachers to review student growth and student services.	SPED teachers Classroom Teachers Support Teachers CIS Admin	Special Program students will increase achievement and show growth on campus, district, and state assessments--MAP, CIRCLE, and STAAR through progress monitoring.				
Critical Success Factors CSF 1 CSF 4 9) Field-based instructional experiences will be provided for all students--Regular Ed, ELL, SPED, 504, and At-Risk students--to provide and enhance background knowledge and experiences both on and off campus. Presentations will be brought to the campus for the students linked to the curriculum to provide extensive real-world connections and hands-on opportunities.	Admin Team CIS	Student data on related Unit Assessments, BOY, MOY, and EOY state and district assessments, as well as student results on STAAR will increase by a minimum of 5%.				
Critical Success Factors CSF 1 CSF 2 CSF 4 10) ESL teachers will provide ESL students with research-based instructional strategies and tools needed to meet the individual need of these students. Additionally, Home-School Connections Newsletters will be purchased for ESL parents to provide tips and ideas to extend the learning at home.	Admin CIS Interventionist ELL Teacher	Special Program teachers will increase achievement and show growth on campus, district, and state assessments--MAP, CIRCLE, and STAAR through progress monitoring.

Critical Success Factors CSF 1 CSF 7 1) Teachers will follow the TEKS Resource System and will utilize strategies from Math Misconceptions, Comprehending Math and Investigations in daily lessons. This will apply to all students to include ELL, Special Education, 504, G/T, and At-Risk. This will include incorporating aligned math vocabulary from the TEKS based on the grade level curriculum and problem solving into daily lessons. The new TRS resources will be studied and used along with the Enhanced Document to ensure teacher clarity and alignment.	Teachers Admin CIS	Student progress Monitoring through common unit assessments, MAP assessments, CIRCLE and STAAR.				
Critical Success Factors CSF 1 CSF 2 2) The Problem-Solver will be implemented in every grade level as a part of instruction at least once a week. Problem-Solving strategies will be utilized and modeled with real-world connections daily.	Admin Teachers CIS	A continuous improvement in the application of skills as evidenced by grades improving weekly to ultimately having 75%-80% of all students successfully solving word problems.				

Targeted Support Strategy Critical Success Factors CSF 1 3) Additional Targeted Support will be provided to All Students including African American, Pacific Islander, students of Two or More Races, and Economically Disadvantaged students in order to increase the academic achievement status of students meeting grade level standard in math by incorporating hands-on activities and the use of manipulatives in the lesson design to offer a visual for students to make a deeper connection, especially for 4th grade students.	Teachers Admin CIS	Students will show growth and progress on common unit assessments (formative & summative), MAP and CIRCLE assessments and STAAR.				
Targeted Support Strategy Critical Success Factors CSF 1 CSF 2 CSF 4 4) Additional Targeted Support will be provided to All Students including African American, Pacific Islander, students of Two or More Races, and Economically Disadvantaged students in order to increase the academic achievement status of students meeting grade level standard in math by implementing Guided math to provide specific and purposeful small group instruction based on the last assessment as well as students identified while noticing from the current learning to enhance the core instruction. The Do the Math kits will also be utilized with RtI students as identified to help build the foundation and link the skills.	CIS Teachers Interventionist Admin	Students will show growth and progress on common unit assessments (formative and summative), MAP, CIRCLE, and STAAR.				

Critical Success Factors CSF 1 CSF 2 5) Spiraling will be done daily and consistently based on content that has already been taught. It can be done through morning work or Warm-ups prior to math instruction. The spiraling will be reviewed and with various strategies being modeled.	Teacher CIS Interventionist	Students will show an increase in retention of the content as evidenced by increased numbers of students passing common assessments and STAAR as well as an increase of students on grade level on the EOY MAP and CIRCLE assessment.				
Critical Success Factors CSF 1 CSF 4 6) In all grade levels, ST Math will be incorporated as a curriculum supplement. It will be utilized not only as a computer-based program, but it will also be incorporated into the math class lessons.	Teachers Admin CIS Campus Tech	85% of the students will reach the EOY goals for ST Math. Student growth and progress will be accomplished on all unit assessments, MAP, CIRCLE and STAAR.
