

KISD COVID-19 Protocols

Campuses will align with the district COVID-19 protocols by

Campuses WILL

- ✓ Communicate via email to all parents and staff when there is a positive case on our campus.
- ✓ COVID-19 POC or nurse will input CVP in the COVID tracker nightly.
- ✓ Create strategic transition plans for passing periods, entry and exit plans, and cafeteria procedures for their campus that align with the district's protocols
- ✓ Post COVID-19 signage provided by the district.
- ✓ Have all videos associated with COVID-19 approved by the Communications team before posting.
- ✓ Continue to provide important health and safety information to families and staff regarding COVID and campus guidelines.
- ✓ Monitor symptoms of students and staff, as well as case counts.

KISD**SAFE**

WILL NOT

- ✗ Provide identifiable information of a COVID-19 positive individual.
- ✗ Allow visitors on to campus unless they are providing a service or the company has an MOU with the district.
- ✗ Allow a positive identified staff member or student to return to campus without meeting Return-To-School Criteria.
