Students must meet with a counselor to approve the course(s) in which to be enrolled. Do not include courses that the student is currently enrolled in during the school day. Students must have already taken the course and failed it to enroll in the course during Evening Academy. Only one course at a time may be taken during Evening Academy. Upon completion, if time allows, students may take an additional course, with a maximum of four courses during a semester.

I understand that my student is enrolling in an online course for credit recovery during the evening and the home campus will provide a computer and Internet access, if needed, to complete course work. If he/she falls behind on assignments or has a failing average, it will be mandatory for him/her to arrange time to catch up with the course's pacing. In addition, I understand that it is his/her responsibility to complete every assignment to be eligible to take the final exam and receive credit for the course(s). Additionally, I am aware that online, credit recovery courses are not approved under NCAA guidelines for athletes.							
I understand that there must be at least <i>nine weeks available</i> in the Evening Academy calendar for the student to enroll in classes. I also understand that students must work on assignments on scheduled Evening Academy dates and all assignments must be completed by the due dates. Failure to complete work on a session date will result in an absence and obtaining three unexcused absences may result in the student being withdrawn from the course and no credit awarded. If the student fails to follow the rules for the class, he/she will be withdrawn from the class and no credit will be awarded. Additionally, students must abide by Killeen ISD's <u>Student Code of Conduct</u> , failure to do so will be cause for removal from privileges to participate in the current and/or future online courses during Evening Academy.
